Docket No. CP19-14-000
Revised Alignment Sheets

Dear Ms. Bose:

On November 6, 2018 Mountain Valley Pipeline, LLC (“Mountain Valley”) filed a certificate application with the Federal Energy Regulatory Commission (“Commission”) for the MPV Southgate Project in the above referenced docket. Mountain Valley is hereby submitting supplemental materials.

Mountain Valley submits herein its revised set of alignment sheets. Alignment sheets have been revised based on updated parcel boundary information as gathered through civil survey. The alignment and workspaces in the revised alignment sheets are reflective of the route as shown in Mountain Valley’s October 2019 supplement. Information provided with the KMZ files did reflect the accurate parcel boundaries, therefore, those files are not being re-submitted at this time.

If you have any questions regarding this filing, please contact the undersigned at 202-347-7127 or William.lavarco@nee.com.

Respectfully submitted,
Mountain Valley Pipeline, LLC
